Program Overview

- Courses are designed for individuals already working in the horticulture industry.
- Lectures and assignments are in both English and Spanish, with support from bilingual instructors.
- Courses on specific dates, with 4 weeks of instruction and 4-6 hours required per week.
- Classes are completely online, and include pre-recorded videos, interactive discussion board, and quizzes. They are available any time of the day, and new modules are activated each week during the course.

Certificates

- You will receive a personalized certificate when you complete the requirements for each course.
- Courses do not count for credit towards a university degree.

Registration

- Register each employee individually to track their progress. Each employee will need their own unique email address before you register them. [Click here to register \[hort.ifas.ufl.edu/training/\]](https://hort.ifas.ufl.edu/training/)
- Once you are registered, you can access the course on a computer, tablet, or smartphone during course dates.
- There is a 20% discount when registering 5 or more. Email greenhousetraining@ifas.ufl.edu for information.
